Anneke Lucas reveals childhood abuse by David Rockefeller and Pierre Trudeau

**In a revealing interview on the PBD Podcast, Anneke Lucas, a human trafficking survivor, shared her harrowing story of exploitation, abuse, and healing.**

Lucas, 61, discussed her traumatic childhood experiences, which included being trafficked and sexually abused by former Canadian Prime Minister Pierre Trudeau at the age of 10. She also claimed that her exploitation was orchestrated by billionaire David Rockefeller, under the supervision of financier Evelyn de Rothschild.

Born in Belgium, Lucas was sold into a trafficking ring at just six

years old, where she endured almost six years of unimaginable abuse. Despite the horrific conditions she faced, Lucas has since transformed her personal trauma into a mission of advocacy. She now works tirelessly to raise awareness about human trafficking and support victims of exploitation.

A key part of her advocacy has been her collaboration with New York State Assemblywoman Amy Paulin. In 2017, the two women worked together to introduce groundbreaking legislation designed to protect potential trafficking victims, particularly in hotels. Lucas also founded Liberation Prison Yoga, a program aimed at bringing healing to incarcerated individuals by helping them address personal trauma and empowering them to heal from within.

Lucas has used her platform to educate others on the long-term effects of trauma and the importance of systemic support for survivors. She has written extensively on the subject, including a book in Dutch and multiple articles. Her work continues to make a significant impact, offering hope and healing to those who have endured similar experiences.
